Dear Friends :

We have been deeply impressed by your letter of the 15th ult. received this morning.

We cannot tell you how much we are sorry to end our business connections which have lasted for about forty years. Not only the fact that we have met you personally two times but also that your Firm was appreciated for its high standing and perfect integrity.

We sincerely regret that circumstances compel us to end our business connections although we would appreciate very much to exchange from time to time personal letters.

Maybe the situation may change but anyhow we have been proud to work with you and we address you our personal best regards,

Sincerely yours,

ARTHUR HIRSCH & C°
